

# Right Whale Education and Volunteer Training Classes 2003-2004 Calving Season

MRC will again conduct free education and training classes to identify the right whale in Florida coastal waters. Each class will include a 20-min. video and most will have an additional 20-min. slide show (not guaranteed at Brown Bag lunches). Start times are firm, end times are estimated. Classes usually last about an hour depending on turnout and number of questions asked at the end. Educational materials will be distributed and everyone is encouraged to attend these FREE meetings!!!
